How to protect yourself, your family and community

Western Australia has achieved amazing results to date with limiting the spread of COVID-19 within the community.

However, don't forget to continue washing hands and keep physical distancing (at least 1.5 metres) from others.

If you are crook with COVID-19 symptoms, go to your nearest COVID clinic or GP respiratory clinic.

Visit **https://healthywa.wa.gov.au/Articles/A_E/COVID-clinics** for more detail on where the clinics are located.

What are the symptoms?

FEVER

SORE THROAT

COUGH

FATIGUE

SHORTNESS OF BREATH
